

► Specification

Operating Force: 80gf Max

Operating Temperature Range: -20°C~70°C

Voltage Rating: 0.1A at 48VDC

Actuation Life Cycle: Mechanical: 1,000,000 times

Electrical: 1,000,000 times

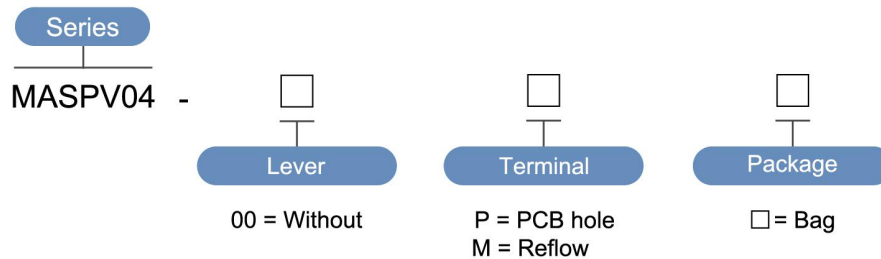

Insulation Resistance: 50 MΩ min @500VDC

Dielectric Strength: 250VAC for 1 minute

Contact Resistance: 100mΩ max
